WHERE TIME SLOWS

*N*estled in the rolling hills of the Cotswolds, Coombe End Manor is your private English country escape, a world of vintage glamour, pastoral beauty, and effortless elegance. This extraordinary manor house has evolved over 500 years with this vast estate now welcoming those seeking a wedding steeped in history and opulence.

Just five miles from Cirencester, yet utterly secluded, the 2000-acre estate offers tranquillity, breathtaking views, and the promise of a celebration to remember.

THE HOUSE

*C*oombe End Manor's story begins over 500 years ago, in the days of friars and stone abbeys, before evolving into the glorious home you see today. A poetic blend of history and modern luxury, its most recent transformation led by the celebrated design house, Yellow London has infused each room with character, comfort, and a hint of mischief. With space for up to 22 guests, every bedroom is a jewel box of rich fabrics, heirloom antiques, and irresistible charm.

Inside, take in an exquisite array of grand spaces and considered corners. The house's family art collection is dappled with contemporary pieces, while chandeliers twinkle over draped lounges and roaring fires.

THE WEDDING

At Coombe End, no two weddings should be the same.

From bespoke catering options and private chefs to custom experiences that reflect your unique style, we're here to make your stay an unforgettable one.

Coombe End is best enjoyed as part of a longer wedding celebration that lasts a weekend or over a few days, to truly enjoy all the charms of the Manor House, the grounds and amenities as well as the delights of the local area.

As part of your stay breakfast and dinner is prepared each day by our on-site private chef, for all days apart from the wedding reception itself, which is catered by trusted external suppliers who specialise in larger numbers.

We work closely with all of our couples to craft an experience that is personal to you and take great pride and joy in curating your stay down to every last detail.

THE DRINKS RECEPTION

Following your ceremony, we encourage you to utilise the beautiful grounds and enjoy alfresco drinks. Whether that be overlooking the hills on the terrace, or around the ornate pond basking in the sunshine.

In the event of inclement weather, a stretch tent or marquee offers the perfect backdrop for this moment, before guests are seated.

THE WEDDING BREAKFAST

*W*eddings at Coombe End Manor take place within the grounds, and we work with a variety of suppliers that we recommend, all of whom will assist you in creating your ideal space.

The wedding day itself is operated by an experienced team of external suppliers, all of which are experts in their field; from the marquee to the food and drink, we allow you to take the reins and plan your perfect day your way.

We do require you to hire a wedding planner or coordinator, to ensure that suppliers and arrangements are all taken care of. We find this removes the stress from you and allows you to focus on the day itself.

**Marquees are a mandatory requirement for guest numbers of 30 or over.*

THE PARTY

We would typically suggest utilising your marquee to enable you to have your after party inside. All of our recommended suppliers can assist you with options in terms of layout.

We ask for music to be turned down by 12:30 and switched off by 1am. There are no restrictions on sound limit, but we do ask you to be respectful of the countryside in which we are located.

Please do ask for our carefully curated recommend supplier list, with useful hints and tips, to make the planning of your special day hassle free and enjoyable.
